IDAHO FALLS REAL ESTATE

"THE CITY OF DESTINY." The City destined to be the greatest Railroad Center in the entire inter-mountain country. A Junction City of the Union Pacific and Northwestern Railroads, and the Yellowstone National Park branch of the Union Pacific system, also the new railroad,

THE GOLD BELT SYSTEM

Will Cross the Famous Snake River at this point. Just think of it:

❖ 126,000 • Horse • Water • Power ❖

In the rapids of the river where this new city is building, 3,000,000 acres of rich farming lands, yielding the present year from 50 to 67 Bushels of wheat to the acre. Over \$600,000 of work already contracted for in the construction of irrigating canals. Surely

WATER IS THE GOD OF THE HARVEST!
